RESPONSE TO NOTICE TO FILE MISSING PARTS

This responds to the Notice to File Missing Parts (Notice) dated June 3, 2004. Applicants submit herewith replacement FIGs. 1-28. FIGs. 24-26 and 28 are black and white prints of color photomicrographs. Applicants are providing the best available black and white figures, and do not believe that color photomicrographs are required to disclose subject matter applicants consider their invention. Furthermore, the color photomicrographs are not of a substantially better quality than the black and white figures. Nevertheless, applicants will provide color photomicrographs on request. These drawings should be considered formal and applicants request that these drawings be accepted by the Patent Office.

Applicants also qualify for small entity status as indicated on the transmittal letter accompanying applicants' application as filed. Small entity fees therefore are required, not large entity fees.

Respectfully submitted,
